

Eagle Fellowship

Newsletter

Hello Everyone!

Welcome to our first ever Eagle Fellowship Newsletter. It has been a long time since we have all seen each other in person but we hope that this Newsletter will encourage you and remind you that Jesus loves you!

We hope to send out this Newsletter twice a year and it will contain loads of stories and photos of what all the Eagles are doing in their various branches. It will also include an encouraging thought from the Bible and lots of other surprises along the way!

If you would like to share your testimony in one of the Newsletters then please send it through to aaronmccckane@hotmail.co.uk (no more than 300 words). We look forward to seeing you all at the holiday!

Happy Birthday!

Sir Seamus McKenna turns 50! We would like to send a big Happy Birthday to Seamus McKenna as he has just turned 50 in January. We hope you had a great birthday.

Breaking News

LISBURN

Lisburn Eagles continued their monthly meetings during the pandemic via Zoom, which was good fun in the circumstances, but never the same as meeting in person. Since September we've been back to our usual Friday evening slot in Hillsborough and it has been a welcomed change and a delight to see everyone in person. We've had a variety of activities to date with each meeting containing a variety of games, epilogues, a goody bag (as all eagles like their food!), some singing and most of all a good ole catch up and some eagles craic. Numbers wise we have around 20-30 people each month and it's a joy to see our regulars back again and to enjoy some new eagles who have just joined us. We even managed a Christmas celebration dinner with a day out to Vic Ryn in Lisburn in December and we look forward to more activities in the months ahead.

MID ULSTER

Mid Ulster eagles meet every second Friday at the Marina Centre, Ballyronan. We are really enjoying special times of fun and fellowship at our new venue!

CRAWFORDSBURN

Crawfordsburn Eagles really enjoyed being back together to have a Christmas Tea together with games, carols and readings in Scrabo Hall in Newtownards. They also had a visit from a white bearded man and some helpers! We are looking forward to a supper and attending a praise night together in Scrabo Hall in the next few weeks.

FERMANAGH

Fermanagh Eagles all enjoyed sitting down to a full Christmas dinner. Noel organised some amazing games for afterwards. We then sang and read the Christmas account from Luke and Matthew.

BALLYMENA

Eagle Fellowship

Bible Time

By Aaron McKane

We all have challenges and difficulties in our lives and sometimes we try to get through them on our own strength. This verse promises us that the LORD will not fail us no matter what we are going through. We go forward by faith and rely on God to help us and commit ourselves and everything we do to God. The verse says we will not be weary, but can be cheerful as we allow God to carry us through. Isn't that just wonderful to know. If we wait on God and in His strength we will soar up towards Him. How wonderful to know and apply these great words of Scripture to our lives.

Our theme Bible verse...

"But they who wait for the Lord shall renew their strength; they shall mount up with wings like eagles; they shall run and not be weary; they shall walk and not faint."

Isaiah 40:31

Let's all try and learn this verse off by heart!

Prayer

Dear Lord, thank you for all the Eagles and the volunteers. I thank you God that everyone of us are precious in Your sight. Thank you Lord for keeping Your hand upon us all and the many blessings You give us. We pray that all the Eagles will be blessed through the Scriptures. We pray that You continue to bless us with good health and trust that as we read the Bible Time You will speak to us through it.

Amen.
